- ▶ This versatile trolley is a 4 sided trolley used for general merchandising but can be really used to anything.
- ▶ The trolley is a 4 sided cage with the open face on the wide side. Additional shelves are available as an option, as are rubber wheels.
- ▶ The trolley is rigid in construction, so it does not nest or fold down.
- ▶ On the back panel of the merchandising trolley are a pair of push handles for easy and safe operator use.
- ▶ The trolley is zinc plated for a long life, and is suitable for use within a retail shop store or for general warehousing use.
- ▶ Wheels are 125mm diameter nylon as standard or rubber tyred as an option. 2 fixed and 2 swivel castor configuration.
