➤ These folding mesh frames are a cost effective way to transform euro pallets into practical containers. The mesh sides are practical, economical and collapsible so they solve problems of warehouse space and transport costs.

➤ All our containers are available in a wide range of RAL standard colours, you can select the colour from within the options.

➤ The containers are guaranteed free from burrs, with chamfered and rounded corners to avoid injury during use.

➤ At Steps and Stillages we also have a complete range of accessories designed to integrate with our stillages. From card holders and identification plates to wheels and lids we have the ideal custom solution for your needs.
