- These folding steel stillages have a capacity of 1000kg, mesh sides, sheet metal base and a half drop door in the front. They are stackable both when open and closed.
- Designed with an easy opening and closing system the collapsed stillage has a height 1/3 of an open container making it possible to save storage space and transport costs.
- All our containers are available in a wide range of RAL standard colours, you can select the colour from within the options. The containers are guaranteed free from burrs, with chamfered and rounded corners to avoid injury during use.
- At Steps and Stillages we also have a complete range of accessories designed to integrate with our stillages. From card holders and identification plates to wheels and lids we have the ideal custom solution for your needs.
