- A smart way to maximise the full height of a pallet space.
- This tubular steel pallet retention unit, or pallet converter, mounts onto a standard wooden 1200mm x 1000mm pallet. The 2 sides first lock onto the pallet and the back section holds them all rigid.
- Manufactured from 19mm x 2mm round ERW-grade mild steel with joints welded for outstanding strength and durability
- Bright electro-zinc plating with a lacquer coat comes as standard. Other finishes are available to order.
