- These roll forward tipping skips can be emptied either by hand from the ground or when lifted by forklift truck. Designed to facilitate the collection and disposal of waste and scrap, which can be dumped by just by moving a lever.
- Equipped with watertight tanks the tipping skips can easily be moved by hand thanks to the four large diameter wheels, two fixed and two swivel, mounted on bearings.
- The skips are blue. Other standard RAL colours are available on a 3 week lead time. Alternatively a galvanised finish is available. Contact us regarding these options.
- All skips come with CE marking plate as standard.
