## Product Overview

Z/STEP/LORRY/6B

VAT Not Included  
Free Delivery

### Step Width

500mm - Standard  
850mm - Wide

### Options

Rubber Wheels  
Galvanize

Mobile Steps lead time is generally 7 days. Whilst we stock the step components, the mobile steps are built to order. We would typically allow 3 days to build the steps, a day to paint them and then despatch the mobile ladders on a 3 day service.

| Specification               |                             |                         |
|-----------------------------|-----------------------------|-------------------------|
| Dimensions                  | Standard Step Width (550mm) | Wide Step Width (850mm) |
| Platform Height From Ground | 1500mm                      | 1500mm                  |
| Overall Length              | 1400mm                      | 1400mm                  |
| Overall Height              | 2500mm                      | 2500mm                  |
| Overall Axle Width          | 1150mm                      | 1450mm                  |
| Platform Size               | 550mm x 380mm               | 850mm x 380mm           |
| Step Tread Width            | 550mm x 200mm               | 850mm x 200mm           |
| Step Tread Vertical Spacing | 250mm                       | 250mm                   |
| Weight Standard Width       | 62kg                        |                         |
| Load Capacity               | 300kg                       | 300kg                   |

- This budget version is fitted with 2 substantial 200mm nylon wheels.
- The two handles fitted to the front of the ladder allow it to be moved by being partially lifted.
- Also fitted is a safety rail at the top and safety notice on the side.
- Mobile steps are painted as standard using a one coat primer/finish - Zinfos 700CT, or can be galvanized.
