

# Easy Slope - 1000mm

## Product Overview

Z/STEP/EASY/1.0

VAT Not Included  
Free Delivery

### Step Width

500mm - Standard  
850mm - Wide

### Options

Rubber Wheels  
RUGGED Wheels  
Galvanize  
Basket  
Climb Prevention Bar

Mobile Steps lead time is generally 7 days. Whilst we stock the step components, the mobile steps are built to order. We would typically allow 3 days to build the steps, a day to paint them and then despatch the mobile ladders on a 3 day service.

| Specification               |                             |                         |
|-----------------------------|-----------------------------|-------------------------|
| Dimensions                  | Standard Step Width (550mm) | Wide Step Width (850mm) |
| Platform Height From Ground | 1000mm                      | 1000mm                  |
| Length                      | 1200mm                      | 1200mm                  |
| Overall Height              | 2000mm                      | 2000mm                  |
| Frame Width                 | 590mm                       | 890mm                   |
| Overall Axle Width          | 760mm                       | 1060mm                  |
| Platform Size               | 550mm x 400mm               | 850mm x 400mm           |
| Step Tread Width            | 550mm x 200mm               | 850mm x 200mm           |
| Step Tread Vertical Spacing | 200mm                       | 200mm                   |
| Weight Standard Width       | 55kg                        |                         |
| Load Capacity               | 300kg                       | 300kg                   |

- Our Easy Slope Range, has a slope angle of 45 degrees, and a comfortable step increment of 200mm, allowing users to descend facing forwards while carrying boxes.
- The platform height from the ground of this ladder is 1000mm.
- The mobile ladder is fitted with our industrial hi-grip step as standard, also a 100mm kick-plate and safety operating sticker.
- Mobile steps are painted as standard using a one coat primer/finish - Zinfos 700CT, or can be galvanized.
